MY WONDERFUL LIFE

HAMEED HANI, OWNER AND DESIGNER-IN-CHIEF AT INTERIOR DESIGN COMPANY 5MM, SPILLS ALL ON HIS A-LIST DREAM DATE AND HIS PICK OF THE PARTY ISLANDS

DINING IN DUBAI

Caramel at Dubai International Financial Centre is awesome – the TNT shrimp is delicious.

ISLAND HOPPING

Ibiza is a great place to visit. It has an amazing balance of a wild atmosphere and being a place you can relax. The old town is very charming with great restaurants and alleyways, but you can also blow off steam at some of the best parties in the world.

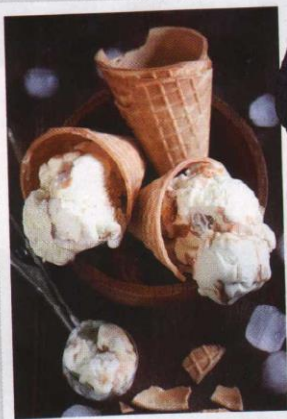

WARDROBE STAPLE

I love a black T-shirt. It's simple yet chic.

SWEET TOOTH

I can't resist salted caramel ice cream, it's delicious.

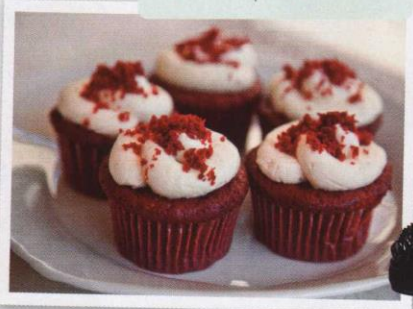

DREAM DATE

I would love to go on a date with Kristen Stewart.

IN THE KITCHEN

I'm a very good baker. My friends tell me they love my red velvet cupcakes.

MINGLING WITH THE STARS

I attended a fundraising event organised by Oxfam in Dubai a couple of years ago. One of my favourite actors, Owen Wilson, was there.
